Use this form to help determine whether your organization is prepared to attend Immersion training. Please submit this form to echoreplication@salud.unm.edu for review. An ECHO representative will get back to you in 3 -5 business days.

ECHO HUB LAUNCH READINESS ASSESSMENT

Organization Name:______________________________________________________________

Contact Name (first and last):____________________________________________________

Contact Email Address:__________________________________________________________

Contact Phone Number:__________________________________________________________

How did you learn about ECHO?__________________________________________________

Have you been in contact with any ECHO Institute staff? If so, who?____________________

Pre-Assessment Checklist

Before you begin your assessment, please complete the checklist below.

☐ Attend a monthly Introduction call (https://echo.unm.edu/join-echo#learn)

☐ Review the What You Need to Know About ECHO page on our website (https://echo.unm.edu/join-the-movement/need-to-know)
Launch Readiness Assessment

Please answer each question as fully as possible. Do not exceed 500 words for each question.

1. Please briefly describe your organization (include the type, size, and mission of your organization at a minimum).

2. How do you plan to use ECHO to address an issue/solve a problem in your community? Who will your ECHO learners (“spokes”) be?
Do you have funding to support your anticipated ECHO project? If not, what resources do you have available to support your ECHO efforts?

Do you have your ECHO team identified (typical roles include an ECHO Lead, Clinic Coordinator, Program Manager, IT Support, and Subject Matter Expert; please note, these titles refer to roles, not individuals, so there may be overlap)?
5 When are you hoping to launch your ECHO project(s)?

6 Do you have any questions for us? Anything else you’d like us to know?
