

MetaECHO™ 2017

Infinite Possibilities

September 13-16, 2017

Albuquerque, New Mexico

#MetaECHO2017

Partner Presentations

Friday, September 15, 2017

Time TBD

What to Present:

- Evaluation or Research Results on your ECHO program(s)
- Overview of your current program(s)
- Best Practices learned
- Idea you would like the audience to consider or discuss

Criteria for Presenting:

- Must be an authorized ECHO project that has launched (not in planning stage)
- 25-minutes total time allowed: 15-minute presentation, 5-10 minutes Q&A
- Maximum of 3 people may share the stage

Submission & Selection Process:

- Complete the Partner Presentation Abstract Submission Form by **June 30, 2017**
- The ECHO Institute Leadership Team and MetaECHO 2017 Conference Planning Team will select 15 abstracts/proposals and notify the selected partners via email the week of **July 10, 2017**

Additional Information:

- Timekeepers will be on-hand to maintain the strict time schedule
- A podium, microphone, lcd projector, laptop and screen will be provided
- If using PowerPoint slides, final slide presentations are due by Friday, **September 1, 2017**
- You are welcome to provide handouts, contact information, etc. at your session
- Conference attendees will have a choice of 5 simultaneous sessions to select from every 30 minutes
- Your session information will be posted on the conference agenda within the event app
- Contact metaechoconference@salud.unm.edu with any questions
